September Volunteer FF Newsletter

This month marks the nineteenth anniversary of that tragic day in our nation's history. On September 11, 2001 our nation was attacked by a terrorist organization killing a total of 2,996 people, this includes the 343 firefighters and 60 law enforcement officers who also died trying to save others.

After the shock of what happened wore off it was replaced by anger and then unity in this country like I have never seen. Americans came together with one voice proudly displaying the American flag in the name of unity and the pursuit of justice.

Let us never forget the great resolve Americans have and let us never forget those brave men and women both then and now whom we call first responders.

Firemen's Prayer:

When I am called to duty, God whenever flames may rage, give me the strength to save some life whatever be its age.

Help me to embrace a little child before it's too late, or some older person from the horror of that fate.

Enable me to be alert and hear the weakest shout, and quickly and efficiently to put the fire out.

I want to fill my calling and give the best in me, to guard my neighbor and protect his property.

And if according to your will I have to lose my life, please bless with your protecting hand my children and my wife.

Proud to Serve,
Steve Kona, Fire Chief
