

WILLOWBEND COMMUNITY ASSOCIATION, INC.

A Corporation Not-for-Profit

Directory Information (Local)

In the spaces below, please provide the information that you want to appear in the Willowbend Community Association's directory on the website (<http://www.willowbendcommunity.com>). On the website, there are 2 versions of the directory, one for the Willowbend residents and owners, and one for the administration (Board of Directors, Web committee). All of the directories are in a secured portion of the site that requires a username and a password. For each item you provide, indicate whether you want the item secured to Residents (R) or Administration (A) by circling R or A below the item. The resident/owner version displays R items. The administrative version displays R and A items. Even if you do not want residents to see your home or cell phone numbers or your email address, you are encouraged to provide them with security set to A so that the Board can contact you in case of emergency. You must provide an email address for access to the secure residents-only section of the website.
